

# FRIENDS OF THE ST. JOE RIVER

## 18th Annual River Cleanup

Saturday, April 6, 2013 • 10 a.m. — 2 p.m.

**DRESS APPROPRIATELY:** Long pants, long sleeves, rugged work shoes, work gloves (waterproof if possible). Trash bags and drinking water will be provided.

**CHECK-IN STATION:** Veterans Memorial Park on Northside Blvd., just west of IUSB

**TOOLS:** Any additional trash-moving tools are welcome, such as pick-up trucks, watercraft and trash pokers. A nail or screw stuck in an old tool handle with head cut off works well for picking up trash without bending over and takes five minutes to make.

*This Friends of the St. Joe River event is co-sponsored by the Izaak Walton League, Michiana Watershed and the City of South Bend*
